1. Introduction

1.1. This policy aims to:

- apply positive strategies to create a caring, family atmosphere in which teaching and learning can take place in a safe and happy environment
- To develop an awareness of right and wrong and differentiate between acceptable and unacceptable behaviour

- treat problems when they occur in a caring and sympathetic manner in the hope of achieving an improvement in behaviour
- Encourage pupils to take increasing responsibility for themselves and their behaviour and for the well-being and happiness of others
- Provide a consistent whole School approach to behaviour management
- Define what we consider to be unacceptable behaviour, including bullying
- Outline how pupils are expected to behave
- Summarise the roles and responsibilities of different people in the school community with regards to behaviour management
- Outline our system of rewards and sanctions

2. Statutory Requirements and Legal Status

2.1. This policy is based on advice from the Department for Education (DfE) on:

[Behaviour and discipline in schools](#)

[Searching, screening and confiscation at school 2022](#)

[The Equality Act 2010](#)

[Keeping Children Safe in Education 2022](#)

[Use of reasonable force in schools](#)

[Supporting pupils with medical conditions at school](#)

It is also based on the [special educational needs and disability \(SEND\) code of practice](#) and schedule 1 of the [Education \(Independent School Standards\) Regulations 2014](#); paragraph 7 outlines a school's duty to safeguard and promote the welfare of children, paragraph 9 requires the school to have a written behaviour policy and paragraph 10 requires the school to have an anti-bullying strategy.

3. Jesuit Pupil Profile

3.1. The aims of the Jesuit Pupil Profile (JPP) are to propose a simple but challenging statement of the qualities St John's, as a Jesuit school, seeks to develop in pupils, using key words which unfold St Ignatius' own stated aim of "improvement in living and learning for the greater glory of God and the common good." ([The Jesuit Institute - Jesuit Pupil Profile](#))

3.2. Pupils in a Jesuit school are growing to be:

- **Grateful** for their own gifts, for the gift of other people, and for the blessings of each day; and **generous** with their gifts, becoming men and women for others.
- **Attentive** to their experience and to their vocation; and **discerning** about the choices they make and the effects of those choices.

- **Compassionate** towards others, near and far, especially the less fortunate; and **loving** by their just actions and forgiving words.
- **Faith-filled** in their beliefs and **hopeful** for the future.
- **Eloquent** and **truthful** in what they say of themselves, the relations between people, and the world.
- Learned, finding God in all things; and wise in the ways they use their learning for the common good.
- **Curious** about everything; and **active** in their engagement with the world, changing what they can for the better.
- **Intentional** in the way they live and use the resources of the earth, guided by conscience; and **prophetic** in the example they set to others.

3.3 Figure 1 is a tag-cloud style image which can be used with to discuss the virtues of the JPP. The image is in the form of a tree, drawing on the parable of the mustard seed (Mark 4:30-32). The pairs of virtues are colour-coded and this colour-coding is used in the JPP printed leaflet.

Figure 1

3.3. At St John's Beaumont, the virtues of the Jesuit Pupil are seen as innate in every child. It is the responsibility of the staff, pupils and parents to support all pupils in practising actions that underpin these virtues.

4. Pupil Code of Conduct

4.1. The Jesuit Pupil Profile informs the Code of Conduct for Pupils at St John's which can be found in Figures 2 and 3.

5. School Rules

5.1 In addition to pupils being expected to live by the Jesuit Pupil Profile, there are some specific School rules that all pupils must follow while at School.

- Stand up and say good morning/afternoon to staff entering classrooms.
- Wear smart uniform to assembly, mass and other formal occasions (including wearing school jumper, having shirt tucked in and socks pulled up).
- Hold doors open for staff and visiting adults
- Address staff by their name (e.g. Dr Smith or Ms Murphy) or by using 'Sir' or 'Ms'
- Walk quietly on the left of corridors
- Store all belongings on pegs or in lockers
- Use changing rooms only when supervised by a member of staff
- Do not go out of bounds (see Appendix 6 for a map showing bounds).
- Refrain from behaving in a way that brings the school into disrepute, including when outside School, fixtures and trips.

6. Anti-Bullying

6.1. Bullying is defined as: the repetitive, intentional hurting of one person or group by another person or group, where the relationship involves an imbalance of power. It can happen face to face or online. (Anti-bullying Alliance).

6.2. Details of how bullying is prevented and addressed at St John's Beaumont are set out in the Anti-Bullying Policy.

7. Rewards and Sanctions

7.1. The purpose of rewards and sanctions at St John's Beaumont is first and foremost to encourage and reward excellent behaviour. Where possible examples of excellent behaviour should be prioritised and rewarded as this will create a positive example for other children to follow and the belief that such behaviour is genuinely valued at St John's.

7.2. It is recognised that, from time to time, children will fall below the high standards expected of them and teachers should act in a way that highlights such behaviour as being inappropriate and unhelpful to the living and learning environment of their peers.

7.3. St John's Beaumont adheres to the policy that corporal punishment, both its use and the threat of it, is prohibited at all times whether or not within the school premises. Physical contact, or the threat of it, which is deliberately intended to punish a pupil or to cause pain or humiliation is never acceptable.

8. Roles and Responsibilities

8.1. Responsibilities of the School Governors

The Governing Council is responsible for monitoring behaviour policy's effectiveness and holding the Head Teacher to account for its implementation.

8.2. Responsibilities of Head Teacher

The Head Teacher is responsible for reviewing and approving this behaviour and discipline policy. The Head Teacher will ensure that the school environment encourages positive behaviour and that staff deal effectively with poor behaviour, and will monitor how staff implement this policy to ensure rewards and sanctions are applied consistently.

8.3. Designated Member of Staff Responsible for Pastoral Care (DSL & DDSLs / Heads of School)

The DSL is responsible for writing, reviewing and implementing this behaviour and discipline policy and, along with Heads of School, provide support, guidance and planning on how to improve an individual's behaviour. Heads of School are responsible for investigating incidents with other members of staff or the Safeguarding Team and ensuring that appropriate records of incidents and sanctions are logged.

8.4. Responsibilities of Staff

Staff are responsible for:

- implementing the behaviour policy consistently, calmly and with care;
- modelling positive behaviour;
- providing a personalised approach to the specific behavioural needs of particular pupils;
- recording behaviour incidents through CPOMS

The senior leadership team will support staff in responding to behaviour incidents.

In order to encourage positive behaviour staff should:

- Meet and greet on arrival at the classroom.
- Model positive behaviours and build relationships.
- Plan lessons that engage, challenge and meet the needs of all learners.
- Use a mechanism for positive recognition throughout the lesson: verbal praise, "praise the behaviour you want to see" and positives
- Be calm and give pupils choice and time to modify their behaviour after a verbal warning.
- Never ignore or walk past pupils who are behaving badly.

8.5. Responsibilities of Parents

Parents are expected to:

- support their child in adhering to the pupil code of conduct;
- inform the school of any changes in circumstances that may affect their child's behaviour;
- discuss any behavioural concerns with the class teacher promptly.

9. Pre-Prep (inc. EYFS and Nursery)

9.1. Our system of rewards includes:

- Verbal praise and written praise for good work
- Stickers and hand written certificates

- TYES for effort from Year 2 (more than achievement, although inevitably effort will often lead to high achievement) which are celebrated both in the classroom and in the House, where they add to the total achieved by the children in that Animal house, with a cup awarded termly.
- Certificates for Pupil of the week (good work and behaviour) to be awarded during assembly
- Posting examples of excellent work in art/design, sports, and drama and concert achievements on the school's newsletter, which is widely circulated, so that the community can celebrate success.

9.2. When dealing with misbehaviour, the following is considered:

- The boundaries for what is considered to be acceptable behaviour at St John's Beaumont by teachers and other members of staff, in PSHE lessons and in assemblies.
- Minor breaches of discipline are generally dealt with by the teacher for that class, or the member of staff on duty when the problem occurs.
- The staff member should deal with the problem in a caring, supportive and fair manner.
- Members of staff should listen to the pupil's explanation and must ensure that the child understands why the behaviour is unacceptable.
- Generally, if a problem has arisen and been dealt with by another member of staff the teacher for that child should be informed. This should then be recorded if necessary on CPOMS.
- Each case is treated individually. Children are made aware that they are responsible for their own actions and that breaking rules will lead to sanctions.
- When speaking to children about their behaviour, this must be done with sensitivity. It is not part of our policy to shame children in front of others, and it is vital that we give children the opportunity to:
 - a) Understand the behaviour they are accused of
 - b) Have a chance to explain or deny that behaviour
 - c) Understand what is expected of them in the future

10. Zero-tolerance approach to sexual harassment and sexual violence

10.1. The school will ensure that all incidents of sexual harassment and/or violence are met with a suitable response, and never ignored.

10.2. Pupils are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be.

The school's response will be:

- Proportionate
- Considered
- Supportive
- Decided on a case-by-case basis

10.3. Sanctions for sexual harassment and violence may include:

- Contacting parents
- Liaising with external agencies (Surrey Children's Services, The Police etc.)
- Suspension
- Permanent exclusion

10.4. The school has procedures in place to respond to any allegations or concerns regarding a child's safety or wellbeing. These include clear processes for:

- Responding to a report
- Carrying out risk assessments, where appropriate, to help determine whether to:
 - i. Manage the incident internally
 - ii. Refer to early help
 - iii. Refer to children's social care
 - iv. Report to the police

Please refer to the Child Protection and Safeguarding Policy for more information.

11. Malicious Allegations

11.1. Where a pupil makes an accusation against a member of staff and that accusation is shown to have been malicious, the Head Teacher will discipline the pupil in accordance with this policy.

Please refer to the Child Protection and Safeguarding Policy for dealing with allegations of abuse against staff for more information on responding to allegations of abuse.

The Senior Leadership Team will also consider the pastoral needs of staff accused of misconduct.

12. Physical Restraint

In some circumstances, staff may use reasonable force to restrain a pupil to prevent them:

- causing disorder;
- hurting themselves or others;
- damaging property.

Incidents of physical restraint must:

- always be used as a last resort;
- be applied using the minimum amount of force and for the minimum amount of time possible;
- be used in a way that maintains the safety and dignity of all concerned;
- never be used as a form of punishment;
- be recorded and reported to parents.

13. Confiscation

13.1. Any prohibited items (listed in sanctions chart) found in pupils' possession will be confiscated. These items will not be returned to pupils. We will also confiscate any item which is harmful or detrimental to school discipline. These items will be returned to pupils after discussion with senior leaders and parents, if appropriate. Searching and screening pupils is conducted in line with the DfE's latest [guidance on searching, screening and confiscation](#).

14. Additional Pupil Support

14.1. St John's Beaumont recognises its legal duty under the Equality Act 2010 to prevent pupils with a protected characteristic from being at a disadvantage. Poor behaviour can often be symptomatic of poor self-esteem, mental health issues, unhelpful coping strategies and poor relationships at home or at school. Consequently, our approach to challenging behaviour may be differentiated to cater to the needs of the pupil.

14.2 The school's SENDCo and DSL will evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met. The SENDCo meets with the DSL fortnightly to discuss the needs of pupils who may be struggling. Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

14.3 When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents to create the plan and review it on a regular basis. If adequate support cannot be provided within the structure of the school, transitional measures will be investigated with the parents, always in the best interests of the child.

15. Dealing with Serious or Complicated Incidents

15.1. For serious or complicated incidents that need to be investigated in detail, the DSL or Head of School will lead the investigation and maintain a timeline of actions and decisions on CPOMS. If necessary, the safeguarding governor will be informed. Where there is a 'victim' and 'perpetrator', the school recognises the need to inform the victim and their parents of actions taken and any sanctions given.

16. Safeguarding

16.1. The school recognises that changes in behaviour may be an indicator that a pupil is in need of help or protection. We will consider whether a pupil's misbehaviour may be linked to them suffering, or being likely to suffer, significant harm. Where this may be the case, we will follow the Child Protection and Safeguarding policy.

17. Pupil Transition

17.1. To ensure a smooth transition to the next year, pupils have a move-up/transition session with their new class teacher/tutor. In addition, staff members hold transition meetings to ensure behaviour is continually monitored and the right support is in place.

17.2 Information related to pupil behaviour issues may be transferred to relevant staff at the start of the term or year. Staff can also access this through CPOMS if needed. Information on behavioural issues may also be shared with new settings for those pupils transferring to other schools.
