Billings & Edmonds do not supply shoes.

Parents of overseas boarders are welcome to contact Billings & Edmonds directly to order uniform. Billings & Edmonds can deliver orders to the school for your convenience; please order early to avoid disappointment. Please inform the School Office when an order has been placed so that the boarding staff can be made aware.

'Nearly New' (second hand) uniform is available from St John's Beaumont. The shop is open each Friday morning from 8am-10am and has many good quality and excellent value items available.

Labelling (All boys)

All clothing should be marked with sewn-in name tapes and Billings & Edmonds offer a sew-in service. This can usually be booked when ordering the uniform and takes around 2 weeks. We prefer Boarders to please make arrangements for uniform to be named prior to arrival. In special circumstances our Housekeeper can assist with the labelling of some items and we charge £1.20 per item to sew in name labels. Boarders should please leave 2 dozen name tapes at school for occasional future purchases.

If you are labelling your son's clothing yourself, kindly use sew-in labels (e.g. CASH's). Any other form of marking (iron-on labels or the garment label marked in pen) is not acceptable.

Sports Kit Labelling (Year 3 to Year 8 only)

All Sports Kit for years 3-8 must be visibly named on the outside with a rectangular named label (initials only) available from Billings & Edmonds. Labels are supplied in sets of 10 or 20 and may be re-ordered as and when required.

Please order via: www.billingsandedmonds.co.uk or call the shop on 01753 861 348.

Name labels should be sewn as follows onto all PE and Games kit:

- On the left side (as worn) if no SJB crest (e.g. Animal T-shirt, white shorts)

For Jammer trunks – long swim trunks - (Year 3 to Year 8) please sew name tag inside, there is no need to sew any badges on the outside.
